ARTICLE XI - Meetings of the Members

1. Annual Meetings. The annual meeting of the Members shall be held as set by the Board of Directors. Failure to hold the annual meeting at the designated time shall not work a dissolution of the Association.

 - (a) In the event the Board of Directors does not call an annual meeting of the association members, an owner may demand that a meeting of the association members be called not later than the 30th day after the date of the owner's demand.
 - (b) The owner's demand must be made in writing and sent by certified mail, return receipt requested, to the registered agent of the property owners association and to the association at the address for the association according to the most recently filed management certificate. A copy of the notice must be sent to each property owner who is a member of the association.

- 5. Member Contact Information. Each member shall register his address with the secretary, and notices of meetings, regular or special, shall be mailed to him at such address. It is the responsibility of the Member to provide the Association with current mailing and email addresses, and the Association assumes no responsibility should any notices not be received by the Member provided that the Association forwards such notice to the address provided the Association by the Member.
- 6. Notice e-mail. Any Member may request that notice be transmitted electronically by providing the Association's Secretary a valid e-mail address. Upon providing such e-mail address the Association may transmit any and all notices to such member at such email address. Members are encouraged to provide an e-mail address to help reduce the operational cost of postage and mail-out required by these Bylaws and Texas Law.

7. Waiver of Notice. Notice may be waived in writing signed by the person or persons entitled to such notice. Such waiver may be executed at any time before or after the holding of such meeting. Attendance at a meeting shall constitute a waiver of notice, except where the person attends for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.
8. Location of Meetings. Meetings of members shall be held at the office of the Association, if one is established in the Subdivision, or at such other place, within or without the State of Texas, as may be stated in the notice of the meeting or in a duly executed waiver of notice thereof.

10. Action Required. At a meeting at which a quorum is present, the vote of the majority of the members in person or represented by proxy shall decide any question brought before the meeting, unless the question is one upon which the vote of a greater number is required by law, the Certificate of Formation or these Bylaws. The members present or represented at a meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum.

ARTICLE XII - Notices

1. Type of Notice. Whenever under the provisions of the statute, the Certificate of Formation, these Bylaws or the Restrictions, notice is required to be given to any Directors or Member and no provision is made as to how such notice shall be given, it shall not be construed to mean personal notice, but any such notice may be given in writing, electronic message (i.e, e-mail), by mail, postage prepaid, addressed to such Directors or Member at such address as appears on the records of the Association. Any notice required or permitted to be given by mail shall be deemed to be given at the time the same is deposited in the United States mail as aforesaid.
2. Waiver of Notice. Whenever any notice is required to be given to any Member or Directors of the Association under the provisions of any applicable statute, the Certificate of Formation, these Bylaws or the Restrictions, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated in such notice, shall be deemed equivalent to the giving of such notice.

ARTICLE XIII - Special Assessments

1. Establishment of Special Assessment for Capital Projects. In addition to the Maintenance Fee assessment set forth in the Restrictions, the members of the Association may adopt a special assessment for capital projects, in such amount as may be established by the Association at a special or annual meeting at which notice for an election for the assessment of said Special Assessment is given. Should the special assessment be approved by a majority vote of the members, represented in person or by proxy, of the Property Owners Association at the annual meeting of the Property Owners Association, then the Special Assessment shall become effective on the date noticed, with the proceeds from such special assessment being ear-marked for the specific purpose set forth in the notice of such election. Said Special Assessment shall be secured by a lien against said lot, and failure to pay said Special Assessment shall constitute a foreclosure lien against said lot. This lien is in the form of an assessment to run with the ownership of said lots. The Special Assessment shall be deemed delinquent if not paid within thirty (30) days of the date set forth in the notice as being the date the Special Assessment is due.
2. Purpose of Special Assessment. The Special Assessment shall be used for only the following purposes:
 - (a) To defray, in whole or in part, the cost, whether incurred before or after the assessment, of any construction or reconstruction, repair, or replacement of a capital improvement in the Common Areas, including but not limited to the streets and roads in the Subdivision, owned by the Association, including the necessary fixtures and personal property related to such Common Areas, to the extent such expense is not sufficiently provided for with Regular Assessment funds;
 - (b) For maintenance and improvement of Common Areas owned by the Association; and/or
 - (c) For such other purposes of the property owners association as stated in the Association's Certificate of Formation or the dedicatory instrument for the Subdivision.

ARTICLE XIV - Books and Records

1. The Association adopts this Article XIV of these Bylaws to comply with Section 209.005, Texas Property Code. In the event of a conflict between this Article XIV and Section 209.005, Section 209.005 shall control.
2. The Association shall make the books and records of the Association, including financial records, open to and reasonably available for examination by an owner, or a person designated in writing signed by the owner or the owner's agent, attorney, or certified public accountant, in accordance with this section. An owner is entitled to obtain from the Association copies of information contained in the books and records, except as provided herein.
3. An attorney's files and records relating to the Property Owner's Association, excluding invoices requested by an owner under Section 209.008 (d) of the Texas Property Code, are not records of the Association and are not subject to inspection by the owner; or production in a legal proceeding. If a document in an attorney's files and records relating to the Association would be responsive to a legally authorized request to inspect or copy Association documents, the document shall be produced by using the copy from the attorney's files and records if the Association has not maintained a separate copy of the document. This Bylaw does not require production of a document that constitutes attorney work product or that is privileged as an attorney-client communication.
4. An owner or the owner's authorized representative described by Section 2 of this Bylaw must submit a written request for access or information under Section 2 by certified mail, with sufficient detail describing the Property owners Association's books and records requested; to the mailing address of the Association or authorized representative as reflected on the most current management certificate filed with the County Clerk. The request must contain an election either to inspect the books and records before obtaining copies or have the Property owners Association forward copies of the requested books and records and if an inspection is requested, the Association, on or before the 10th business day after the date the Association receives the request; except as otherwise provided by this section.
5. If the Association is unable to produce the books or records requested under Article XIV, Section 4 on or before the 10 business day after the date the Association receives the request, the Association will provide to the requestor written notice that:

- (a) informs the requestor that the Association is unable to produce the information on or before the 10th business day after the date the Association received the request; and
 - (b) states a date by which the information will be sent or made available for inspection to the requesting party that is not later than the 15th business day after the date notice under this subsection is given.
- 6. If an inspection is requested or required, the inspection shall take place at a mutually agreed on time during normal business hours, and the requesting party shall identify the books and records for the Property owners Association to copy and forward to the requesting party.
- 7. The Association may produce books and records requested under this section in hard copy, electronic, or other format reasonably available to the Association.
- 8. The Board of Directors shall adopt a records production and copying policy that prescribes the costs the Association will charge for the compilation, production, and reproduction of information requested under this section. The prescribed charges may include all reasonable costs of materials, labor, and overhead but may not exceed costs that would be applicable for an item under 1 T.A.C. Section 70.3. The policy required by this subsection shall be recorded as a dedicatory instrument in accordance with Section 202.006, Texas Property Code. The Association may not charge an owner for the compilation, production, or reproduction of information requested under this section unless the policy prescribing those costs has been recorded as required by the Association's Records Policy filed with the County Clerk. An owner is responsible for costs related to the compilation, production, and reproduction of the requested information in the amounts prescribed by the policy adopted under this Bylaw. The Association may require advance payment of the estimated costs of compilation, production, and reproduction of the requested information. If the estimated costs are lesser or greater than the actual costs, the Association shall submit a final invoice to the owner on or before the 30th business day after the date the information is delivered. If the final invoice includes additional amounts due from the owner, the additional amounts, if not reimbursed to the Association before the 30th business day after the date the invoice is sent to the owner, may be added to the owner's account as an assessment. If the estimated costs exceeded the final invoice amount, the owner is entitled to a refund, and the refund shall be issued to the owner not later than the 30th business day after the date the invoice is sent to the owner.

9. A Property owners Association must estimate costs under this section using amounts prescribed by the policy adopted under Section 8 of this Article XIV.
10. Except as provided by this Article XIV, and to the extent the information is provided in the meeting minutes, the Association is not required to release or allow inspection of any books or records that identify the dedicatory instrument violation history of an individual owner of an association, an owner's personal financial information, including records of payment or nonpayment of amounts due to the Association, an owner's contact information, other than the owner's address, or information related to an employee of the Association, including personnel files. Information may be released in an aggregate or summary manner that would not identify an individual property owner.
11. The books and records described by Section 10 of this Article XIV shall be released or made available for inspection if:
 - (a) the express written approval of the owner whose records are the subject of the request for inspection is provided to the property owners Association; or
 - (b) a court orders the release of the books and records or orders that the books and records be made available for inspection.
12. The Board shall adopt and comply with a document retention policy that includes, at a minimum, the following requirements:

- (a) a judgment ordering the Property owners Association to release or allow access to the books or records;
 - (b) a judgment against the Property owners Association for court costs and attorney's fees incurred in connection with seeking a remedy under this section; or
 - (c) a judgment authorizing the owner or the owner's assignee to deduct the amounts awarded under Subdivision (2) from any future regular or special assessments payable to the Property owners Association.
14. If the Property owners Association prevails in an action under Section 13 of this Article XIV of the Bylaws, the Association is entitled to a judgment for court costs and attorney's fees incurred by the Association in connection with the action.
15. On or before the 10th business day before the date a person brings an action against the Association under this section, the person must send written notice to the Association of the person's intent to bring the action. The notice must:
- (a) be sent certified mail, return receipt requested, or delivered by the United States Postal Service with signature confirmation service to the mailing address of the Association or authorized representative as reflected on the most current management certificate filed under Section 209.004; and
 - (b) describe with sufficient detail the books and records being requested.
16. For the purposes of this Article XIV of these Bylaws, "business day" means a day other than Saturday, Sunday, or a state or federal holiday.
